The screenshot displays the Flaticon website interface. At the top, there is a navigation bar with the Flaticon logo and menu items: Authors, Icons, Stickers, Interface Icons, Animated Icons, and More. A search bar is located below the navigation bar, and a 'Collections' button is visible on the right. The main content area features several icon sets, each with a title and a count of icons:

- History**: 30 ICONS. Includes icons for a magnifying glass, a flask, an arrow, a vest, a bone, and an open book.
- Video Blog**: 50 ICONS. Includes icons for a video player, a bell, a 'FOLLOW' button, a hand pointing, a speech bubble, and a hand holding a coin.
- Shop And Store**: 50 ICONS. Includes icons for a shop building, a gym, a shop counter, a shopping cart, and a hand holding a card.
- Magic Tricks**: 30 ICONS. Includes icons for a magic wand, a book, and a hand holding a card.

Below the icon sets, there is a section titled 'Top stickers' with a 'View all →' link. This section displays various sticker packs, including one with a girl character, one with a tiger character, and one with a beach scene.

The screenshot shows the top portion of a web page. At the top left is the 'elementHOW' logo. To the right are navigation links: 'Addon Finder', 'Addons Discounts', and 'Elementor Learning Center', followed by social media and shopping icons. The main content area has a pink-to-orange gradient background with the article title 'How To Successfully Import Adobe Illustrator SVGs Icons In Elementor' in white text. Below the title is the date 'November 22, 2020' and '4 Comments'. At the bottom of the screenshot, a 'Table of Contents' dropdown menu is visible, and a small chat icon is in the bottom right corner.

Application

The screenshot displays a web application interface for image optimization. At the top, a blue header bar contains a menu icon, the word "IMAGE", and the word "MARKUP". The main workspace features a light gray checkerboard background with the text "Aimer l'industrie Martiniquaise" in a black, cursive font. Below the text, there are three circular icons: a hand (edit), a document (copy), and a download icon. A status bar at the bottom center shows "4.42k → 4.18k 94.5%" and a download button. On the right side, a settings panel is open, listing various optimization options with toggle switches.
